1. License

The non-commercial use of the article will be governed by the Creative Commons Attribution-NonCommercial-NoDerivs license (CC BY-NC-ND 4.0, <https://creativecommons.org/licenses/by-nc-nd/4.0/>), which permits use, distribution, and reproduction in any medium, provided that the Article is properly cited, the use is non-commercial, and no modifications or adaptations are made. Without prejudice to the foregoing, the author hereby grants the Journal Owner the license for commercial use of the article, throughout the world, in any form, in any language, for the full term of copyright, effective upon acceptance for publication.

2. Author/s Warranties

Author/s warrant that the manuscript is not currently under consideration, in press, or published elsewhere, and the research reported will not be submitted for publication elsewhere until a final decision has been made as to its acceptability by the Journal. Figures, photos, tables or other parts of manuscript that have previously appeared in a publication or are not the property of the authors must be properly acknowledged in the manuscript. Permission to republish these items must be obtained by the corresponding author inform person or institution holding the copyright, usually the publisher.

Author/s certify that all persons who have made substantial contributions to the work reported in the manuscript (e.g. data acquisition, analysis, writing or editing) but who do not fulfil the authorship criteria are named with their specific contributions in an Acknowledgement in the manuscript. Author/s certify that all persons named in the Acknowledgement have provided me with written permission to be named. Author/s certify that if an Acknowledgement section is not included, no other persons have made substantial contribution to the manuscript.

3. Author/s Rights

Author/s retain the following rights:

- copyright, and other proprietary rights relating to the article, such as patent rights,
- the right to use the substance of the article in future own works, including lectures and books,
- the right to reproduce the article for own purposes, provided the copies are not offered for sale,
- the right to self-archive the article.

4. Co-Authorship

If the article was prepared jointly with other authors, the signatory of this form (Corresponding Author) warrants that he/she has been authorized by all co-authors to sign this agreement on their behalf, and agrees to inform his/her co-authors of the terms of this agreement.
